Bangkok, Thailand

SCAN ME

Welcome

Scientex conferences host a plethora of events in various fields, including Medicine, Pharma, Health Science, Life Science, Engineering, and Technology. We organize all our events with the utmost care and diligence, providing top-notch facilities and infrastructure for smooth and successful knowledge transfer among attendees. Our goal is to solve modern scientific problems for the betterment of our lives.

Scientex conferences focus on achieving greatness by offering excellent opportunities for professionals to explore the scientific research community and introduce potential breakthroughs. We provide a fitting platform for eminent speakers, innovators, inventors, industry professionals, scientists, academicians, established authors, scientific editors, medical physicians, medical service providers, nursing professionals, research associates, analysts, and students to exchange ideas and find solutions to major global challenges.

Our conferences are highly successful, featuring high-quality interactive technical sessions with recent research findings and futuristic trends. We focus on providing workshops and symposiums through well-established industrial and academic tie-ups with various professional bodies, organizations, and top-rated universities worldwide. **(click here for more)**

About Conference

A heartly welcome to the **6th World Congress on Primary Healthcare and Medicare Summit** on **November 09-10, 2026** in **Bangkok, Thailand**. The conference will emphasize the theme “Transforming Challenges into Opportunities for Better Health”.

Primary Healthcare 2026 Mission: To offer healthcare practitioners and students of all levels the best possible education.

Primary Healthcare 2026 Vision: Primary Healthcare Conference strives to be the best healthcare educational event in the world with its dynamic international faculty, innovative programming, and engaging interactions between all participants.

We ask you all to stay engaged, keep us proactive and help us shape the future of healthcare & management throughout the conference.

Presentations

	Thanatphat Sriudon, Atsamat Hospital, Thailand

Day 02 Concludes

***Note: You are requested to be present at the event right from the introductory session as there might be some changes in the event schedule and so the presentation timings may vary. In that scenario, your presentation slot may get preponed or postponed by a fair deal of time (in rare cases) to ensure a smooth running passage of the program without any delay. So, we request you to please be prepared to present your work whenever your turn comes up. Your understanding in this regard is very much appreciated.**

Speaker slots are available. To book your slot, please mail us at primaryhealthcare@scientexconferences.com
